ST. JOHN'S DAY—1929

Ancient York Lodge is to have their Annual Outing and Clambake Saturday, June 22, 1929, the day on which the Commandery was planning to hold an Outing. As their plans were completed before ours it has been decided not to hold our outing.

MAY CONCLAVE

About a hundred Sir Knights came out and, we understand, approved of the light lunch and the excellent Movies under the direction of Sir Knight the Warder.

OUR NEW TEMPLE

Three of us made a complete inspection of the New Temple this week and were astonished at the progress that has been made in the last few weeks.

We are to vacate our present quarters June 29, as the fall meetings will all be held in the New Temple.

One of the new Lodge Rooms is now being finished so that any emergency meeting may be held there this summer.

It is expected that Pentucket Lodge will have the honor of presiding at the Dedication Exercises.

COMMANDERY INSTALLATION

There has been quite a little sentiment among the Officers about holding a Public Installation and Ladies Night at the Annual Meeting in September, which would give our Ladies an early opportunity to inspect the new Temple.

This is contingent upon the wishes of the Sir Knights and upon the new Temple being completed in due time.
